

## Happy 30th Birthday Ligare!

Ligare staff, clients and suppliers celebrated Ligare's anniversary at the Opera House in August 2009

The Northern Foyer of the Opera House was filled with friends of Ligare who were entertained by a string trio. The view from the foyer over Sydney Harbour towards the bridge was spectacular.

Cliff Brigstock, CEO, presented a hand bound leather edition of *3 Decades—Ligare*, to Richard Celarc, Executive Chairman, and one of the founders of Ligare.

Some of the Ligare staff enjoying the cocktail party with the best view in Sydney as a backdrop: Grant Wastie, COO, Mukesh Chand, Bindery Manager, Wayne Bywater, newly appointed General Manager, Daniel Oakley, Customer Service Team Leader.
